DX News

Rebel DX Group movement

Things are going slow during the pandemic, but we are going forward with our plans. After visiting South Africa 2 months ago, we can confirm that all equipment is ready for this year 2021 (November-December) Bouvet operation part 2. We really hope this time wild oceans will cooperate with us.

In the meantime we are finally going back to our Rebel vessel located in Fiji. Plans are to go back to Conway Reef for 3 weeks, Rotuma for 3 to 4 weeks and some very rare IOTAs around 3D2 zone. We will be testing some of our new ideas to operate 5 different stations on FT8 (FOX & HUND) at the same time by 1 operator. (NO ROBOTS INVOLVED!!!!) This will be video recorded. Some stationary tests were very promising. This (HATE OR LOVE) mode will definitely help some small pistols to get rare DXCCs in the log.

International Jubilee featuring SRAL and Finland

Finland is a small, modern Republic of 5 million inhabitants located on the very northern frontier of Europe. Finns live life between the East and the West, belonging to the alliance of the European Union. SRAL's strength lies in having one of the highest membership percentages among the IARU R1 membership societies. So, this is all of us OHs welcoming you to our centennial year activity.

EARN THE HIGHEST RECOGNITION FROM YOUR OH FRIENDS

Just contact 100 (one hundred) of your OH friends during 2021 and 10 (ten) specially featured Finnish stations to earn the OH Northern Light 100-year certificate (OH-NL-100) and the featured story, explaining the magic of the OH-land and the Northern Lights.
