ICM – Istra Contest Meeting by 9A1P (October 6-9, 2022)

First annual international Contest meeting for HF & VHF contesters.

Idea was born by 9A1P in the year of 2019 due the current lack of quality events of this kind in Europe.

It was well postponed due COVID-19, but finally - we made it !

Among others OUR aim is to encourage contesters in experience exchange, further improvements, networking, and off course - to have fun.
